DISC GOLF FEATURE (PRO TIP)

Obstacles and Relief (Official PDGA Rules)

[803.01 Moving Obstacles](#)

A player must choose the stance that results in the least movement of any obstacle that is a permanent or integral part of the course. Once a stance has been taken, the player may not move an obstacle in order to make room for a throwing motion. It is legal for a player's throwing motion to cause incidental movement of an obstacle.

[803.02 Relief from Obstacles](#)

A player may elect at any time to take optional relief by declaring their intention to the group. The lie may then be relocated by marking a new lie which is farther from the target, and is on the line of play. One penalty throw is added to the player's score.

[803.03 Damaging the Course](#)
