## **Course Discussions:**

### NAD Park - [Course Guide](#)

The baskets are currently in the “A” positions. Baskets are scheduled to move to the “B” positions in January 2022 after the Ice Bowl event. DJ Lofton has been working on cleaning up the tee pad surfaces. The WSDGA Board discussed various areas on the course that need water drainage work. Sam Huff is experimenting with mandatory signs to see what will work best with visibility and not being an obstruction for thrown discs.

### Kitsap Fairgrounds - [Course Guide](#)

DJ Lofton motioned to allocate \$100.00 for kiosk improvements. Motion passed. Report of bees on hole 7 near the “spotter's point” in the fairway. Hole 13 has had some unauthorized brush clearing and was not approved by the WSDGA.

### Bud Pell at Ross Farm - [Course Guide](#)

Course Closure Update: the property owner said we should have use of the Bud Pell course through March of 2022. Land development could start at any time and the course could close immediately. There have been reports that someone was going through the storage container by basket 18 at the Bud Pell course. This was approved by the new property owners. Developers have started to survey the land. Please expect changes to be made. Please be respectful to anyone you may see working on the property during this time.

### Van Zee Park - [Course Guide](#)

Upcoming course improvements include: tee sign replacements, basket move for hole 1, and new alternate tee areas for holes 2 and 6. Safety nets are in the works to be added on holes 5 and 8 (above the fences). The tee sign numbering format is changing to a 9 hole course with red and white pads instead of an “18” hole course. The kiosk will get a new roof next Spring. The property owner near the new basket 5 location is thankful and reports less trespassing on their property. Please respect the neighbors of our disc golf courses.

### Horseshoe Lake Golf Course - [Course Guide](#)

Ball golf is in the Winter season. Disc golf tee times available after 12:00pm. Call for play availability (253-857-3326). Groups of players are expected to complete a round of 18 holes in 2 hours (2 ½ hours maximum), which will most likely be groups of 2 or 3 players. More tee improvements planned for next year before the Kitsap Classic.

## **Old Business:**

### Kitsap Fairgrounds DGC Master Plan

Sam Huff and DJ Lofton are working on the 2022 master plan for the Kitsap Fairgrounds DGC to submit to the parks department (ETA of Spring of 2022).

### Member Appreciation Gift Cards

The WSDGA Board allocated a new batch of member appreciation cards for 2021.

### Insurance

Sam Huff reports that payment has been submitted for the liability insurance to cover the WSDGA Board of Directors, local events, and WSDGA members.

### Guatemala International Sister Club

Paul Wright plans to ship a box of discs (200+) and other disc golf swag to Guatemala to promote the sport of disc golf. Sam Huff motioned for the club to pay for the shipping. Motion passed. The WSDGA will be adding some recent membership tags for memorabilia. More info to come before we allocate funds to ship.

### Senior Group Representation

The PDGA is looking into encouraging all disc golf clubs to have a masters age Board member representative for the senior players. More info to come and how that will affect the WSDGA. Discussion about updating the bylaws. Paul Wright will review the bylaws for possible updates to align with adding a representative for the senior player group. Sam Huff states that the designated Board member position should be the representative for the age and gender protected groups and not just the senior players.

### Course Sign-in Sheets

The WSDGA Board discussed how to collect data during the Winter months because paper is getting destroyed by the adverse weather.

### WSDGA Membership Tags

The new 2022 club membership tags have arrived and are ready for distribution.
