Dan Glynn submitted a check for \$342.00 to the club for recent Lost and Found Disc Program sales. Thank you Dan Glynn and Kevin Nicholson for managing the Lost and Found Disc Program. Sam Huff received a message from Mike Kelly about Forest Ridge Park. They have installed two baskets and are looking into installing more. The WSDGA Board wants to progress discussions with the City of Bremerton for a possible permanent course at Forest Ridge park. Prescott Mabbutt will look into contacting the city. More info to come. Deane Phillips reached out to Prescott Mabbutt to ask if he can use the club logo as artwork for the NAD Putter Challenge tournament in November. Paul Wright motioned and the WSDGA Board approved.

## **Course Discussions:**

### NAD Park - [Course Guide](#)

The baskets are currently in the “B” positions. Baskets are scheduled to move to the “A” position in early October. DISCOVERY course improvements projects are postponed until 2022. Dan Glynn wants to look into spreading chips around the baskets and re-pack the dirt/chips currently around the baskets. Possible work party before Fall Fling. Paul Wright will get in contact with the POC for a reminder of wood chip delivery. Bees nest on #8. Several paths could use some general maintenance.

### Kitsap Fairgrounds - [Course Guide](#)

Sign in sheets are being collected. Thanks John Cohoon for leading the course maintenance. Paul Wright motioned to use the Bud Pell kiosk at the Kitsap Fairgrounds course after Bud Pell course closes and the WSDGA Board approved the motion. DJ Lofton is now the course steward for the Fairgrounds course. The King of the Jungle tournament has been postponed until 2022.

### Bud Pell at Ross Farm - [Course Guide](#)

Course closure update: the property owner said we will have use of the Bud Pell course at least through December and possibly until next Spring. Land development will start in Summer of 2022. Paul will mow once or twice until the grass growing season is over. Thank you Paul Wright for the countless hours of volunteer service.

### Van Zee Park - [Course Guide](#)

All course improvement projects are postponed until Fall 2021 (tee sign replacements, basket re-location for holes 1 & 5, and new alternate tee areas for hole 2 and 6). City fence needs work by Hole 3 tee area. POC is Sam Huff. Discussed the need for a lost and found drop box. Drew Howse will lead the project. Kiosk roof replacement soon.

### Horseshoe Lake Golf Course - [Course Guide](#)

Ball golf is starting to slow down. Disc golf tee times available after 3:00pm. Call for play availability (253-857-3326). Groups of players are expected to complete a round of 18 holes in 2 hours (2 ½ hours maximum), which will most likely be groups of 2 or 3 players. The Lakeside course has had several course improvements completed in preparation for the Wild West Shootout tournament in September. The major changes to the Lakeside are to holes 7, 9, 11 and Canyon hole 5.

### Course Scouting
