PDGA Rules Update

While the [Official Rules of Disc Golf \(ORDG\)](#) and the [Competition Manual for Disc Golf Events \(CM\)](#) go through some level of revision each year, occasionally, there will be years that see major substantive revisions. 2022 is such a year with several major rule changes.

From OB, to holing out, to new membership requirements, this is the most comprehensive review of the governing documents of sanctioned disc golf since 2018. As such, we want to make sure you know which provisions are changing come **January 1, 2022**, so that you can be ready for your PDGA season.

A list of the changes – first major, then minor, then a rundown of some clerical matters – is here for your reference. You can also [preview the 2022 ORDG and CM](#) (a printer-friendly version will be available after January 1).
