President's Remarks:

Thank you Paul Wright for the hard work in breaking down the Bud Pell course. Nice job to Sam Huff and staff on another successful Kitsap Classic tournament.

Course Discussions:

Bud Pell at Ross Farm - [Course Guide](#)

The course is permanently closed. The last day of public play was April 8th.

Kitsap Fairgrounds - [Course Guide](#)

Thank you Jack Lorber for the hard work you have put into the course both at Fairground and NAD courses. The Board will discuss an official form of recognition.

NAD Park - [Course Guide](#)

NAD has definitely seen an up-tick in usage since Bud Pell has closed. There is a tree down on hole 17. Hole 16 erosion control is a big priority for the Board. Lost and found box has been broken and vandalized. The Board will repair the box. The Board wants to remove the old Pell number's from the top of the baskets. Paul Wright motioned we allocate \$1,300 for new colored number plates. Motion approved.

Van Zee Park - [Course Guide](#)

Upcoming course improvements include: tee sign replacements, basket move for hole 1, and new alternate tee areas for holes 2 and 6. Safety nets are in the works to be added on holes 5 and 8 (above the fences). The tee sign numbering format is changing to a 9 hole course with red and white pads instead of an "18" hole course.
